

Welcome to Hotel Cartagena!

This quaint hotel was inherited by Mrs Buendia in the 1950's, when her father suddenly contracted a random strain of cholera on his travels around Latin America. Through the years, many a traveller has passed through its doors, and over time, the hotel has kept a piece of each guest through trinkets, letters and books that have been left behind and forgotten.

This eclectic bohemian paradise is a shrine to all those who have lived, loved and dined within its four walls and provides every guest with the promise of a reprise from the chaos of the world we live in today.

So sit back. Meet, eat, drink, entertain and relax as we serve you Latin America, without borders.

Mrs Buendia
